Yapılan İşlerin Konusu/ Field of Research/Work Conducted:

Cloud Storage Configuration (Google Drive)

Yapılan İşler/Work-Research Being Performed:

I set up the Google Drive side of things today. Created a folder called "Invoices" and dropped a few sample receipt images in there to use for testing later.

It was a small step, but it made the project feel real for the first time like I now had an actual "inbox" that a robot was eventually going to watch.
