Yapılan İşlerin Konusu/ Field of Research/Work Conducted:

Cloud Account Integration (API Authorization)

Yapılan İşler/Work-Research Being Performed:

I applied the template to my own scenario today and started the account-connection process. Got the Google Drive side authorized without any issues logged in, granted permissions, selected my folder.

Realized the Google Cloud Vision connection was going to be the more technical part of the whole build, so I decided to tackle it properly rather than rush it.
